SUBJECT INDEX

Part / page

AES Exhibition 2012
Exhibition report **505**: 217
AES Exhibition 2012: exhibit reports **505**: 218-221
Collection of butterflies from the Southern Ural Mountains, European Russia **505**: 220-21
In defence of wasps (social ones that is) **505**: 219
Pyrausia aerealis - new to Britain **505**: 218
Scarlet tiger moth **505**: 218
Some insects from Udzungwa Mountains, Tanzania during March 2012 ..... **505**: 219-20

Agriculture
Organic farming: why is big business so worried? (Letter to Ed.) ..... **ICN 68**: 12-13

Arachnida
Spider Sue – R.I.P **504**: 210

Australia
Endangered dragonflies in eastern Australia ..... **ICN 67**: 11-13

Bees see: Hymenoptera

Beetles see: Coleoptera

Behaviour
Can caterpillars count? – the Grey Dagger, *Acronicta psi* (Lep.: Noctuidae) **505**: 225-27
Damselfly with two abdomens (Odonata: Coenagriidae) **504**: 200-02
How do species of Lepidoptera with apterous females colonise isolated trees? **504**: 183-84
Pair of speckled bush-crickets? **504**: 182
Processionary larvae in a closed circuit (Lep.: Thaumatopoeidae) **502**: 127-28
Study of gregariousness - larvae of the Buff-tip *Phalera bucephala* (L.) (Lep.: Notodontidae), and similarities with Thaumatopoeidae **500**: 4-17
Swarming of Migrant Hawkers **504**: 181
Unusual note concerning *Rhyssa persuasoria* Hym., Ichneumonidae **503**: 165-66; **505**: 222-23

Book Reviews
Buzzing! **504**: 211-12
Ecology and evolution of dung beetles **502**: 136-37
Guide to the British freshwater macroinvertebrates for biotic assessment **500**: 32-33
Keys to adults of the water beetles of Britain & Ireland (pt.1) **502**: 134-35
Ladybirds (Coccinellidae) of Britain and Ireland **502**: 135-36

Las Mariposas diurnas de Sierra Nevada **503**: 175

Butterflies see: Lepidoptera

Coleoptera
Asian Longhorn beetle: bad news in the UK ..... **ICN 68**: 7-9
Chlaenius vestitus Paykull, 1790 and *Scarites buparius* (Forster, 1771), new to the Ionian Islands, and other carabids from Corfu (Kérkira) **501**: 82-93
Cybister tripunctatus ssp. *africanus* Laporte, 1855, *Dytiscus mutinensis* (Pederzani, 1971), and other large water beetles in Corfu (Kérkira) **501**: 50-62
Declining ground beetle populations in the UK ..... **ICN 69**: 8-9
Does the Figwort weevil breed on buddleia? **504**: 202-03
False Darkling beetle *Phloiotrya vaudoueri* (Mulsant)(Coleoptera: Melandryidae): a new foodplant identified for a colony breeding in August **504**: 187
Harlequin ladybird, *Harmonia axyridis*, a visitor to my garden in Essex **502**: 119-24
Melolontha mélolontha [Poem] **502**: 115
Oil beetle rediscovered in Lincolnshire after 28 years ..... **ICN 68**: 9-10
Oxythyrea cinctella (Schaum, 1841) and other members of the Cetoniidae from Corfu (Kérkira) **501**: 78-81
Rugged oil beetle in south-west England ..... **ICN 67**: 10
Sailor beetles - *Cantharis rustica* (Col., Cantharidae), leks and Müllerian mimicry rings **503**: 160-64

Collecting
Some recollections on the hazards of moth collecting **503**: 167-72

Conservation see: all entries showing "ICN" (Invertebrate Conservation News)

Corfu see: Greece

Crustacea
Another "killer shrimp" introduced to the UK ..... **ICN 69**: 5
Fairy Shrimp at Imber, Salisbury Plain ..... **ICN 69**: 6
Spread of the "killer shrimp" in the UK ..... **ICN 68**: 4-5

Diptera
Invertebrates of coarse woody debris in streams ..... **ICN 68**: 10

Education
AES and Bug Club Residential Weekend at the Hill End Centre, 2012 ..... **504**: 185-86
Enquiries at an AES entomological workshop **502**: 130
Insect species recorded at the Hill End Centre near Wytham Wood, August 2012 ..... **504**: 188-95

England
Abundance of Jersey Tiger, *Euplagia quadripunctaria* (Lep.: Arctiidae) in 2012 ..... **505**: 224
Advice for farmers in the East of England: partnership between RSPB and Buglife ..... **ICN 67**: 7
Aldwych Vapourers **505**: 239
Brownfield butterflies in Staffordshire, England ..... **ICN 69**: 6-7
Drought in England ..... **ICN 67**: 9-10
High Speed Rail project in England ..... **ICN 67**: 3-5
How do species of Lepidoptera with apterous females colonise isolated trees? **504**: 183-84
Insect species recorded at the Hill End Centre near Wytham Wood, August 2012 ..... **504**: 188-95
Insects of a small suburban garden No. 3 ..... **503**: 146
My summer of giants! **505**: 231-38
Oil beetle rediscovered in Lincolnshire after 28 years ..... **ICN 68**: 9-10
Olympic sites: more conflict with conservation ..... **ICN 68**: 11
Pyrausia aerealis - new to Britain **505**: 218
Rugged oil beetle in south-west England ..... **ICN 67**: 10
Short-haired bumblebee re-introduced to UK ..... **ICN 68**: 11
Some insects seen in Dorset, 2011 ..... **500**: 22-23
Summer swarm of Red Admirals **502**: 125-126
Thames Estuary Airport for London? ..... **ICN 67**: 2-3

Entomologists
Help wanted - an historic entomologist Mr W.A. Cope **500**:21
Talking of butterflies, moths and L. Hugh Newman **500**: 34-35

Extinctions
New report on predicted extinction rates of invertebrates ..... **ICN 69**: 1-4

Foodplants
Attitudes to ragwort in the UK ..... **ICN 67**: 5-7
Brownfield butterflies in Staffordshire, England ..... **ICN 68**: 7
Does the Figwort weevil breed on buddleia? **504**: 202-03

France
Mourning Cloak at Chamonix [Story] **500**: 36-40

Garden habitats
Habitat connections between urban gardens ..... **ICN 69**: 12-13

Germany
Longevity and late dates for British and German Orthoptera, plus a predation record **503**: 156-59

Grasshoppers see: Orthoptera

Greece
Chlaenius vestitus Paykull, 1790 and *Scarites buparius* (Forster, 1771), new to the Ionian Islands, and other carabids from Corfu (Kérkira) **501**: 82-93
Cybister tripunctatus ssp. *africanus* Laporte, 1855, *Dytiscus mutinensis* (Pederzani, 1971), and other large water beetles in Corfu (Kérkira) **501**: 50-62
Key identification features for the Red-veined Darter *Sympetrum fonscolombii* (Selys, 1840) and other Odonata in Corfu (Kérkira) **501**: 45-49
Oxythyrea cinctella (Schaum, 1841) and other members of the Cetoniidae from Corfu (Kérkira) **501**: 78-81
Revised checklist of the butterflies (Rhopalocera) of Corfu (Kérkira) **501**: 63-77
Tropidopola graeca graeca Uvarov, 1926, newly recorded for Corfu (Kérkira) and other Orthoptera of interest **501**: 94-103

Hungary
Insect surprises in Hungary **502**: 106-08

Hymenoptera
Insect surprises in Hungary **502**: 106-08
Parasitoids (Hymenoptera) of *Coleophora serratella L.* (Lepidoptera: Coleophoridae) in South Northumberland **502**: 139-45
Primary solitary egg parasitoid (Hymenoptera: Proctotrupoidea, Scelionidae) of The Vapourer, *Orgyia antiqua L. (Lepidoptera: Lymantriidae)* **500**: 24-32
Unusual note concerning *Rhyssa persuasoria* Hym., Ichneumonidae **503**: 165-66; **505**: 222-23
Short-haired bumblebee re-introduced to UK ..... **ICN 68**: 11

Invasive species
Another "killer shrimp" introduced to the UK ..... **ICN 69**: 5
Ash disease in plants imported into the UK ..... **ICN 68**: 6-7
Asian Longhorn beetle: bad news in the UK ..... **ICN 68**: 7-9
Further news of ash dieback in the UK ..... **ICN 69**: 4-5
Spread of the "killer shrimp" in the UK ..... **ICN 68**: 4-5
Sweet chestnut blight found in UK ..... **ICN 68**: 5-6

Jersey
Good news about mussels in Jersey ..... **ICN 67**: 13

Legislation
European consultation on invasive species ..... **ICN 68**: 9
Final version of National Planning Policy Framework in the UK ..... **ICN 68**: 3-4
Review of the list of species protected in Great Britain ..... **ICN 68**: 3

Lepidoptera

Abundance of Jersey Tiger, *Euplagia quadripunctaria* in 2012 ..... **505**: 224
Aldwych Vapourers **505**: 239
Brownfield butterflies in Staffordshire, England ..... **ICN 69**: 6-7
Browns can be beautiful [Story] **505**: 246-52
Butterflies in Wellington, New Zealand **502**: 116-18
Can caterpillars count?—the Grey Dagger, *Acronicta psi* (Lep.: Noctuidae) **505**: 225-27
Collection of butterflies from the Southern Ural Mountains, European Russia **505**: 220-21
Gypsy Moth *Lymantria dispar* (Lepidoptera: Lymantriidae) **504**: 210
Hour of butterflies **502**: 131-33
How do species of Lepidoptera with apterous females colonise isolated trees? **504**: 183-84
Letter from Spain: 16th in a series — Spanish winter butterflies, notes on 2011 -12 and a species review **504**: 204-09
Letter from Spain: 17th in a series — British immigrant Lepidoptera found in Andalucia. Part 1: Introduction and the butterflies **505**: 240-45
Mourning Cloak at Chamonix [Story] **500**: 36-40
Parasitoids (Hymenoptera) of *Coleophora serratella L.* (Lepidoptera: Coleophoridae) in South Northumberland **502**: 139-45
Primary solitary egg parasitoid (Hymenoptera: Proctotrupoidea, Scelionidae) of The Vapourer, *Orgyia antiqua L. (Lepidoptera: Lymantriidae)* **500**: 24-32
Processionary larvae in a closed circuit (Lep.: Thaumatopoeidae) **502**: 127-28
Revised checklist of the butterflies (Rhopalocera) of Corfu (Kérkira) **501**: 63-77
Scarlet tiger moth **505**: 218
Some recollections on the hazards of moth collecting **503**: 167-72
Study of gregariousness - larvae of the Buff-tip *Phalera bucephala* (L.) (Lep.: Notodontidae), and similarities with Thaumatopoeidae **500**: 4-17
Summer swarm of Red Admirals **502**: 125-26
Swallowtail feeding on almond blossom **502**: 129
Swarming of Migrant Hawkers **504**: 181
Talking of butterflies, moths and L. Hugh Newman **500**: 34-35
Unusual hindwing of the Seraphim moth **500**: 18-20
Week on the Isle of Arran **505**: 228-30

Light pollution

Street lighting affects invertebrate community structure ..... **ICN 69**: 13

Longevity

Longevity and late dates for British and German Orthoptera, plus a predation record **503**: 156-59
Spider Sue – R.I.P **504**: 210

Mimicry
Sailor beetles – *Cantharis rustica* (Col, Cantharidae), leks and Müllerian mimicry rings **503**: 160-64

Mollusca
Europe's freshwater molluscs under threat ..... **ICN 67**: 10-11
Good news about mussels in Jersey ..... **ICN** 67: 13

Morphology
The unusual hindwing of the Seraphim moth **500**: 18-20

Moths see: Lepidoptera

New Zealand
Butterflies in Wellington, New Zealand **502**: 116-18

Odonata
Damselfly with two abdomens (Odonata: Coenagriidae) **504**: 200-02
Endangered dragonflies in eastern Australia ..... **ICN 67**: 11-13
Key identification features for the Red-veined Darter *Sympetrum fonscolombii* (Selys, 1840) and other Odonata in Corfu (Kérkira) **501**: 45-49

Orthoptera
Longevity and late dates for British and German Orthoptera, plus a predation record **503**: 156-59
Pair of Speckled Bush-crickets? **504**: 182
Tropidopola graeca graeca Uvarov, 1926, newly recorded for Corfu (Kérkira) and other Orthoptera of interest **501**: 94-103

Parasitoids
Parasitoids (Hymenoptera) of *Coleophora serratella L.* (Lepidoptera: Coleophoridae) in South Northumberland **502**: 139-45
Primary solitary egg parasitoid (Hymenoptera: Proctotrupoidea, Scelionidae) of The Vapourer, *Orgyia antiqua L. (Lepidoptera: Lymantriidae)* **500**: 24-32

Pesticides
Neonicotinoid and other pesticides: further evidence of harm to bees ..... **ICN 69**: 9-11

Poem
Melolontha melolontha **502**: 115

Portugal
Letter from Spain: 15th in a series; more information about the insects seen during my trip to Portugal in May 2011 ..... **502**: 154-55

Predation
Longevity and late dates for British and German Orthoptera, plus a predation record **503**: 156-59

Reintroduction
Bombus subterraneus ..... **ICN 68**: 11

Russia
Collection of butterflies from the Southern Ural Mountains, European Russia **505**: 220-21

Scotland
New Scottish Invertebrate Habitat Management documents ..... **ICN** 67: 8-9

Week on the Isle of Arran **505**: 228-30

Spain
Letter from Spain: 16th in a series – Spanish winter butterflies, notes on 2011 -12 and a species review **504**: 204-09
Letter from Spain: 17th in a series – British immigrant Lepidoptera found in Andalucia. Part 1: Introduction and the butterflies **505**: 240-45
My summer of giants! **505**: 231-38
Swallowtail feeding on almond blossom **502**: 129

Size of insects
My summer of giants! **505**: 231-38

Stinging or biting of humans
Tale of two Emperors (Saturniidae) — in New Orleans, Louisiana, and Little Rock, Arkansas, USA **502**: 109-15

Story
Brown can be beautiful **505**: 246-52
Mourning Cloak at Chamonix **500**: 36-40

Tanzania
Udzungwa National Park (Southern Tanzania) April 2012 ..... **504**: 196-99

USA
Tale of two Emperors (Saturniidae) - in New Orleans, Louisiana, and Little Rock, Arkansas, USA **502**: 109-15

INDEX TO SCIENTIFIC NAMES

A

Acraea egina **504**: 196-99
Acronicta psi **505**: 225-27
Actias luna **502**: 109-15
Aeshna mixta **500**: 22-2; **504**: 181
Aiolopus thalassinus **501**: 94-103
Anacridium aegyptium **505**: 231-38
Anoplophora glabripennis **ICN 68**: 7-9
Antanartia schaeneia **504**: 196-99
Anthocharis damone **501**: 63-77
Archaeophya adamsi **ICN 67**: 12
Argynnis lathonia **505**: 240-45
Aricia agestis **ICN 69**: 7
Asilus crabroniformis **503**: 159
Austrocordulia leonardi **ICN 67**: 12
Austropotomobius pallipes **ICN 68**: 10

B

Bicyclus ena **504**: 196-99
Bombus mastrucatus **502**: 106-08
Bombus ruderatus **ICN 67**: 7
Bombus subterraneus **ICN 68**: 11

C

Cantharis rustica **503**: 160-64
Carabus coriaceus cerisyi **501**: 82-93
Carabus presli neumeyeri **501**: 82-93
Caraxes castor **504**: 196-99
Caraxes baumanni **504**: 196-99
Castanea sativa (plant) **ICN 68**: 5-6
Chalara fraxinea (fungus) **ICN 68**: 6-7; **ICN 69**: 4-5
Chalcophora mariana **505**: 231-38
Chalcosyrphus eunotus **ICN 68**: 10
Chirocephalus diaphanus **ICN 69**: 6
Chlaenius spp. **501**: 82-93
Cicindela campestris olivieria **501**: 82-93
Cionus scrophulariae **504**: 202-03
Coccinella 7-punctata **502**: 119-24
Coenagrion pulchellum **501**: 45-49
Coleophora serratella **503**: 139-45
Colias spp. **505**: 240-45
Corthippus albomarginatus **503**: 157-78
Corthippus biguttulus **503**: 157
Corthippus brunneus **503**: 157
Corthippus dorsatus **503**: 157
Corthippus parallelus **503**: 158
Cryphonectria parasitica (fungus) **ICN 68**: 5-6
Cyaniris semiargus **505**: 240-45
Cybister lateralimarginalis **501**: 50-62
Cybister tripunctatus ssp. *africanus* **501**: 50-62
Cynthia spp. **505**: 240-45

D

Danaus plexippus **502**: 116-18; **505**: 240-45
Dikerogammarus spp. **ICN 68**: 4-5; **ICN 69**: 5
Dreissena polymorpha **ICN 68**: 5
Dytiscus spp. **501**: 50-62; **505**: 231-38

E

Erebia ligea **505**: 246-252
Erynnis tages **ICN 69**: 7
Erythromma najas **504**: 200-01
Euphaedra neophron **504**: 196-99
Eupholidoptera chabrieri garganica **501**: 94-103
Eupithecia pygmaeata **ICN 69**: 7
Euplagia quadripunctaria **505**: 224
Everes argiades **505**: 240-45

F

Fraxinus spp. (plants) **ICN 68**: 6-7; **ICN 69**: 4-5

G

Gomphocerripus rufus **503**: 157
Gryllotalpa sp. **501**: 94-103

H

Harmonia axyridis **502**: 119-24
Hemileuca maia **502**: 109-115
Hipparchia volgensis **501**: 63-77
Hyles livornica **500**: 34-35

I

Ischnura elegans **501**: 45-49

J

Junonia sophia **504**: 196-99

L
Lampides boeticus **505**: 240-45
Leptophyes punctatissima **503**: 156; **504**: 182
Lestes barbarius **501**: 45-49
Lobophora halterata **500**: 18-20
Lycaena salustius **502**: 116-18
Lymantria dispar **504**: 210

M
Mantis religiosa **505**: 231-38
Margaratifera spp. **ICN 67**: 10-11
Meconema meridionale **503**: 156
Meconema thalassinum **503**: 158
Melanogryllus desertus **501**: 94-103
Meloë proscarabaeus **ICN 68**: 9
Meloë rugosus **ICN 67**: 10
Melolontha melolontha **502**: 115
Myas chalybaeus **501**: 82-93

N
Nemobius sylvestris **503**: 156
Nymphalis spp. **500**: 36-40; **505**: 240-45

O
Omocestus rufipes **503**: 159
Orgyia antiqua **500**: 24-32; **504**: 183-84; **505**: 239
Oxythyrea spp. **501**: 78-81

P
Paludinella littorina **ICN 67**: 13
Papilio machaon **502**: 129
Parapleurus alliacaeus **503**: 156
Petalura spp. **ICN 67**: 11-12
Phalera bucephala **500**: 4-17`
Phaneroptera falcata **503**: 158
Phloiotrya vaudoueri **504**: 187
Phyllonorycter scabiosella **ICN 68**: 11
Pieris napi **503**: 131-33
Pieris rapae **502**: 116-18
Pontia daplidice **505**: 240-45
Prionus corarius **505**: 231-38
Pseudacraea boisduvali **504**: 196-99
Pseudophilotes vicrama **501**: 63-77
Pterapherapteryx sexalata **500**: 18-20
Pteronemobius heydenii **501**: 94-103
Pyrgus malvae **501**: 63-77; **ICN 69**: 7

R
Reticulitermes lucifugus **501**: 94-103
Rhyssa persuasoria **503**: 165-66; **505**: 222-23

S
Scarites buparius **501**: 82-93
Segmentina nitida **ICN 67**: 7
Spuleria flavicaput **ICN 69**: 7
Sympetrum fonscolombii **501**: 45-49

T
Telenomus sp. **500**: 24-32
